COMPANY OVERVIEW

About Us

Pro Electric Company specializes in providing top-quality electrical and electronic components, along with innovative lighting solutions.

Established to meet the dynamic needs of the industry, we offer a comprehensive suite of products and services designed to enhance project efficiency and reliability.

Committed to excellence, our expert team ensures that each client receives customized solutions and superior support.

MISSION

Our mission is to empower our clients by providing high-quality, reliable products and exceptional service, ensuring every solution is a step towards a more sustainable and technologically advanced future.

VISION

At Pro Electric Company, our vision is to be the leading innovator in the electrical and electronics industry, setting global standards for excellence, sustainability, and customer satisfaction.

We aim to transform the landscape of technology with our advanced solutions, empowering communities with reliable, efficient, and environmentally conscious products.

OUR PRODUCTS

Electronic Components

Electrical Items

Lighting

ELECTRONIC COMPONENTS

| Category | Related Products |
|------------------------------|---|
| Resistors | Fixed resistors, Variable resistors, Surface-mount resistors |
| Capacitors | Ceramic capacitors, Electrolytic capacitors, Film capacitors |
| Transistors | Bipolar junction transistors, Field-effect transistors, MOSFETs |
| Sensors | Temperature sensors, Pressure sensors, Motion sensors |
| Modules | Wi-Fi modules, Camera modules, Power management modules |
| ICs (Integrated Circuits) | Microprocessors, Memory chips, Amplifiers |
| Relays | Solid state relays, Electromechanical relays, Reed relays |
| Temperature Controller | Digital thermostats, PID controllers, Thermocouple controllers |
| SMDs (Surface-Mount Devices) | SMD resistors, SMD capacitors, SMD LEDs |
| Diodes | Zener diodes, Schottky diodes, LED diodes |

ELECTRICAL ITEMS

| Category | Related Products |
|---------------------------------------|---|
| Power Distribution Equipment | Includes transformers, switchgear, circuit breakers, panelboards, and busbars for effective power management and distribution. |
| Protection Devices | Features fuses, circuit breakers, overload relays, disconnect switches, and surge protectors to safeguard electrical systems and components from damage. |
| Wiring Accessories | Includes electrical boxes, terminal blocks, and connectors essential for electrical connections and protection. |
| Sensors and Monitoring Systems | Consists of temperature sensors, pressure sensors, level sensors, flow meters, and condition monitoring equipment for monitoring and optimizing industrial operations. |
| Safety and Security Equipment | Incorporates emergency stop buttons, safety relays, security cameras, fire alarm systems, and access control systems to enhance safety and security within industrial facilities. |

| | |
|--------------------------------------|--|
| Switches | Encompasses a variety of switches such as push-button, toggle, and rotary switches used for controlling power and function within circuits. |
| Meters | Includes devices like ammeters, voltmeters, and multimeters that measure and display electrical properties such as current, voltage, and resistance. |
| Cable Support and Termination | Covers cable trays, cable ladders, and cable ties for supporting and organizing cables, along with tools and accessories for cable termination. |

LIGHTING

| Category | Related Products |
|--------------------------------------|--|
| LED Lighting | LED high bay lights, LED floodlights, LED strip lights, LED work lights |
| High-Intensity Discharge (HID) Lamps | T8 fluorescent tubes, Compact fluorescent lamps, Fluorescent high bay fixtures |
| Fluorescent Lighting | Quartz halogen lamps, Double-ended halogen bulbs |
| Halogen Lamps | Halogen lamps and spotlights |
| Emergency Lighting | LED task lights, Adjustable arm lights, Magnifying lights |
| Task Lighting | Motion-activated lights, Infrared security lights, Solar-powered security lights |
| Explosion-Proof Lighting | Explosion-proof LED fixtures, Flameproof strobe lights, Explosion-proof flood lights |
| Flood Lighting | Outdoor LED floodlights, Metal halide flood lights, Portable floodlights |
| Security Lighting | Motion-activated lights, Infrared security lights, Solar-powered security lights |

COMPANY RESUME

| Company Information | Details |
|---------------------|--|
| Company Name | Pro Electric |
| NTN | Registered |
| Business Nature | Electrical, Electronic and Lighting Solutions |
| Business Form | Sole Proprietor |
| Sales Tax | Registered |
| Contact | <p>Address: Gulistan Market, Railway Road, Faisalabad</p> <p>Email: sales@proelectric.com.pk</p> <p>Website: www.proelectric.com.pk</p> |
